Loan Box contents

This Loan Box will help spark the imagination of your students with a first-hand encounter with some of the amazing landscape paintings of our city and surrounding countryside.

What's in the box?

1 x Georgian watercolour box

10 x reproduction images

There are lots of different ways to use these objects with your class. Here's an idea to start you off:

1. Topic enhancer: research skills

Use the objects during the teaching of your topic, to enhance your teaching with a tangible experience.

Can your students recognise the locations of these watercolour paintings? Spoiler alert (well, it's already the name of the box so..) - they're all in or associated with Plymouth. Some are easier than others!

We would love to see what they discover! Photos of research posters can be shared with us on Facebook, Twitter or Instagram with the handle @theboxplymouth.

Why not combine research skills with your ICT teaching, by using a free presentation app like Padlet or Explain Everything.
